Best article for making Coffee now in use,—will make with one-third less material and purer and stronger than any other, besides retaining all the aroma of the No. 17 College st THE OLD DOMINION

COFFEE POT. THIS new Corres Por, for which a patent has been issued, possesses this advantageover all ethers you may boil coffee in it for any length of time, with out a particle of the strength or aroma escaping. One fourth less coffee is required, and the full flavor of the berry retained. A large number of testimonials have been received from those who have used it. We have space for only one: THE OLD DOMESTON COPPER POT.—We have had in use new, for over two months, one of these much talked of coffee pots, and we find that it does, in all respects, Dominion for any length of time you choose, and yet ose none of the delicate aroma or strength. This desirable end is attained by a simple, but ingenious,

contrivance in the shape of a condenser, with dou-ble syphons, by means of which the aroma bearing vapor, which usually goes all over the house or up the chimney, is condensed and thrown back into the coffee boiler, and you have its delicious flavor in the offee drinking, we never found anything equal t what we now have daily at our merning meal. the perfection of coffee .- Philadelphia Evening Jour-H PSizes 1, 13, 2, 3, 4, 6, 10, and 16 quarts.
